Spring Term 2018

Bluebird Carol Sing-a-long

On the evening of 12th December, Cameron House pupils, families, teachers and friends joined together for a festive sing-a-long of Christmas carols. Guitars, Christmas bells and voices of all ages joined together to celebrate the start of the Christmas season. It was wonderful to see everyone's enthusiasm and joy at this cherished time.

Meadbank Care Home

On 12th December, Class 5 and 6, accompanied by Alisa, Katherine, Mike and Garth, set off for a festive sing-a-long of Christmas Carols at Meadbank Care home in Battersea. Guitar accompanied with enthusiastic voices filled the home as Cameron House celebrated the reason for this Christmas season. It was wonderful to see how joyful our pupils were while singing, in addition to workers and residents at Meadbank who all joined in. This was a time enjoyed by all and was a lovely way to support our local community. Well done, Cameron House.

"Pirates of the Curry Bean" Production

Carol Service 2017

This year's Carol Service began with enthusiastic songs from Reception as they performed, "Hey Ewe" as their nativity. The orchestra followed with a lovely blend of instruments, performing "Little Drummer Boy". Next came a joyful rendition of "Unto us a child is born" by the Lower School and this was followed by Oliver Butterworth, who gave a very moving performance singing, "Santa Lucia." The Chamber Choir sang the melodic "When you Believe" and picked up the pace in the middle of the song singing Hebrew. Marcello Comins, Gretel Monger, Massi Tondo and Eva Fleury sang solos. Kathleen Leitch and Florence Frost followed with a soothing flute duet performance of Silent night. The Junior Choir were in fine form, singing "Pot of gold" from their recent musical production. The service ended with joyful four part harmonies as the Choral Group sang "Christmas Canon." Special thanks goes to our guest flautist, violist, cellist and our amazing peris who helped make our Carol Service such a festive event.
